Rehearsal Directions/Rules

Rehearsals are at The Garner Performing Arts Center in Garner, NC, which is off of Garner Rd! Just a minute from the studio! For the rehearsal, please come dressed in your first outfit and arrive 15 minutes before your scheduled stage time. Do Not Be Late! We cannot hold a class if you are not there. Please enter through the front lobby and find your child's class, all classes are labeled on the seats in the auditorium! Find your correct class and take a seat!!! A DanZe Zone Staff Member will come and get the class when they are needed backstage! They will dance on stage, get group pictures taken, then they will be taken back out to you parents in the audience.

During the rehearsal, parents are in charge of changing their costumes if they are in multiple numbers! Things are too crazy at rehearsal and we need to move quickly. You can change your child in their dressing rooms, which will be labeled. That way the kids get used to their dressing rooms!!!

Recital Directions/Rules

Recital is at the Garner Performing Arts Center, same place as the rehearsals!

You will need to arrive 30 minutes prior to the performance time to get your child settled. You are to bring your child along with their costumes, shoes, tights, etc. in a bag to the backstage lobby! You cannot bring your child through the front lobby and/or auditorium, all doors will be locked. Must come to Backstage Lobby! Make sure to write your child's name on everything (costume, tights, shoes, headpiece, etc.). A DanZe Zone Staff Member will take your child to the correct dressing room! They need to come dressed and ready in their first costume!

There are no parents or people backstage unless you have volunteered to be a backstage helper. (Not allowed past backstage doors). Parents are not allowed to come backstage during intermission either.

No dancer will be allowed to leave the recital early or go sit in the audience. All dancers will stay with us backstage until the end of the recital. Dancers can be picked up after the recital is over at the backstage lobby. Do not enter the backstage lobby when the recital is over; just wait outside until we open the doors and hand you your child! We do this for three reasons. The 1st reason is safety, that is the most important thing to us and we need to know where the children are at all times, so they will be with us until the end. The 2nd reason is respect. All dancers have worked very hard and I feel that it is rude to leave halfway through the show. Moving in the audience causes distractions to the dancers and other observers. The 3rd reason is that at the end, all students will do their finale dance on stage and receive their trophies! There are backstage moms to help change the children so you can sit back and enjoy the show! The kids are in very trustworthy and experienced hands! I promise!!! This rule is not negotiable! Thank you for understanding and being supportive. Thank you!

With Your Child's Class
During Recital!

Parent/Backstage Volunteer Information

I cant thank you all enough for helping!!! THANK YOU!!! Here is some information!

- **You will have lists of children, etc. on the day of recital, to help with names, etc.!**
- **It's important to know which children have very fast changes and specifics for each dance and this will be listed on the sheets in the dressing room!**
- **There will be a box of extra bobbi pins, safety pins, bandaids, napkins, scissors, etc. for any emergency that you may need to use them!!!**
 - **There are bathrooms in the dressing rooms if kids need to go!**
 - **Please remind kids that there is NO talking on sides of stage.**
- **Please maintain voices to a very low talk/whisper during the show, even in the dressing rooms.**
- **Please arrive 30 min. prior to start of show because you are in charge of a dressing room and dancers are arriving at that time!**
 - **No food or drinks are allowed backstage.**
- **Please take the time to make sure every child's costume is correct and neat! Tap, jazz, and clogging shoes tied tight! Ballet shoes lace, tucked in, etc.!**
- **You can go and watch your child dance on the side of the stage, if you have another child in a different room, you can hear over the system what dance they are on and come around and watch them!**
- **There will be a designated runner which will be one of our teachers. She'll be going to the dressing rooms and getting the kids. They will line up 2-3 dances ahead of time, so she will probably be getting them on the 3rd -4th dance before them.**
- **You can bring games, books, and stuff that is fine. Just nothing that makes a mess like marker etc. or that takes up a lot of room, because the dressing rooms will be packed!**
 - **After the show give every child a trophy! Make sure the kids have all their shoes, costumes, etc. and take them to backstage lobby to be picked up by parents! Please don't forget to give them a trophy!**
